In re Oregon Eye Care, PC, Debtor,	Case No. 16-34713-pcm11 OPPOSITION TO MOTION FOR RELIEF FROM STAY

TO THE HONORABLE PETER MCKITTRICK, US BANKRUPTCY JUDGE, THE OFFICE OF THE UNITED STATES TRUSTEE, THE MOVING PARTY AND OTHER PARTIES IN INTEREST:

Sharon Neal the petitioner that filed the involuntary bankruptcy petition against Oregon Eye Care, PC hereby opposes and objects to the motion for relief from stay filed by Eva Giordano Robertson, Trustee, Robertson Trust (hereafter "Robertson") as follows:

At the time Robertson filed the instant motion for relief from stay, and continuing to the present, the bankruptcy court has yet to enter the relief requested by the involuntary bankruptcy petition. Until the Court enters the relief and formally places Oregon Eye Care into bankruptcy, the motion for relief from stay is prejudicial and invalid procedurally to Oregon Eye Care due to Oregon Eye Care having a lack of legal basis or standing on which to oppose this motion.

For the foregoing reasons, I, Sharon Neal respectfully request that this Court deny Robertson's Motion in its entirety.
